

Yes, **SMARTPHONES**  
are **AWESOME**.

*Walking and using your smartphone simultaneously is*  
**NOT AWESOME.**

**DO:**

Look at your smartphone when you're standing still.

*That's cool.*

**DO:**

Look at your smartphone when you're sitting down.

*Lazy, but still okay.*

**DO:**

Walk around *without* your smartphone.

*Hey, look at you!*

**DON'T:**

Look at your smartphone *while you are walking around*, like some kind of **idiot**.

“Aw, what could happen?”  
- *You*

You might not notice that bus bearing down on you.

You might not notice that cute girl smiling at you. (As if.)

I might sucker punch you in the face.
